Business Development · Sales

From first message to signed scope.

B2B business developer who owns the full cycle — sourcing and qualifying opportunities, running discovery calls, writing proposals and pitch decks, negotiating, and handing over to delivery. Built a track record of enterprise wins on Upwork and Fiverr for a creative studio, and now works in sales and marketing for an engineering-services firm.

Now since Sep 2026

Sales & Marketing Specialist

Innotec Engineering Services

Previously

Business Development Specialist

Ideas Animation Studio · Jun 2025 – Jun 2026

What I own in the sales cycle.

Lead generation, client acquisition, proposals and delivery coordination, handled end to end.

01

Lead Generation

Sourcing and qualifying opportunities across Upwork, Fiverr and LinkedIn outreach.

02

Client Acquisition

Consultative discovery calls that convert — 100% of client meetings in October 2025.

03

Proposals & Pitch Decks

Proposals, quotations and decks matched to each client's stated requirements.

04

Negotiation & Closing

From first conversation to signed scope, including enterprise flat-fee engagements.

05

Marketplace Optimization

Rebuilt marketplace profiles for visibility, positioning and inbound volume.

06

Delivery Coordination

Onboarding, stakeholder communication, timelines and QA/QC through to hand-over.

Business Development

Lead generation · Client acquisition · Opportunity qualification · Sales strategy · Negotiation · Account management · Conversion optimization

Research & Positioning

Market research · Competitor benchmarking · Platform & profile optimization · Service packaging · SEO fundamentals

Client & Project Management

Discovery calls · Requirement gathering · Stakeholder management · Delivery coordination · QA/QC oversight

Communication

Proposal writing · Quotations · Pitch decks · Presentation design · Business communication

Platforms & tools

Upwork · Fiverr · LinkedIn · Microsoft PowerPoint · Microsoft Excel · Power BI · Adobe Photoshop · WordPress

Achievements

Results, by the numbers.

Wins I sourced and closed.

Client names are withheld for confidentiality.

Flat fee $9,500

Over two months $9,000

Global consumer-health enterprise

Visual design and motion graphics for a global Privacy Awareness Training programme

Won through a direct meeting and a consultative approach; the client is one of Upwork's top enterprise accounts.

International IT certification body

Internal marketing and training videos for the client's platform

Secured as a retention client through a direct meeting; strong satisfaction and potential for long-term work.

Project $5,000

Project ≈ $5,000

Direct client — Enneagram series

Enneagram video series

Closed through a client meeting; completed with strong satisfaction feedback.

Fiverr client

Animation project

A high-value Fiverr win that diversified revenue beyond Upwork.

Jun 2025 – Jun 2026

Business Development Specialist

Ideas Animation Studio

Johar Town, Lahore

Promoted from Business Development Associate (Mar – Jun 2025).

- Owned business development end to end across Upwork, Fiverr and LinkedIn — sourcing, qualification, proposals, negotiation and close.
- Won enterprise engagements through direct meetings, including a $9,500 flat-fee project for a global consumer-health company.
- Converted 100% of client meetings in October 2025 and over 80% of client meetings overall.
- Managed the client lifecycle — discovery, requirements, onboarding, stakeholder communication and delivery coordination with QA/QC.
- Ran market research and competitor benchmarking on Upwork and Fiverr; rebuilt marketplace profiles to lift visibility and inbound volume.
