Urban Planning · GIS

Planning from the parcel to the province.

City & Regional Planning student at UET Lahore with hands-on experience across public-sector planning, district master-planning fieldwork and large-scale cadastral GIS. Most recently led a GIS team digitizing mauzas across Punjab for the Suthra Punjab initiative.

B.Sc. City & Regional Planning
UET Lahore · 2023 – 2027 (expected)

AutoCAD · ArcGIS / ArcMap · Google Earth Pro · SketchUp · Microsoft Office

Planning expertise.

What I bring to a planning or GIS team, grounded in the work below.

01

Town & Master Planning

Land-use zoning, road hierarchy and layout planning — from a 300-kanal scheme to a 2,828-acre master plan.

02

GIS & Cadastral Mapping

Digitizing cadastral and survey data with attribute integrity, topological consistency and QC.

03

Urban Design

Mixed-use, transit-oriented site design with 2D drawings and 3D massing.

04

Planning Research

Transit-oriented development, heritage conservation and environmental planning studies.

05

Land-Use Regulation

Land-use conversion approvals, penalty notices and public-service workflows at LDA.

06

Field Surveys

Land-use surveys, SDZ delineation and vetting plans with local government.

Where I've worked.

Mar 2026 – May 2026

GIS Team Lead

The Spatio — Engineering & Geo-Spatial Consultants

Suthra Punjab Project · Lahore, Punjab

Led a GIS team digitizing mauzas across Punjab under the Suthra Punjab initiative.

Converted old paper cadastral maps into accurate, GIS-ready spatial datasets.

Managed task allocation, review and quality control to meet delivery timelines.

Coordinated with the technical team to maintain data accuracy and reporting standards.

Jun 2025 – Nov 2025

GIS Specialist

The Spatio — Engineering & Geo-Spatial Consultants

PULSE · Drone Survey & Cadastral Mapping in Punjab · Lahore, Punjab

Digitized cadastral and survey data for 13 districts of Punjab under the PULSE (Punjab Urban Land Systems Enhancement) project.

Ensured data accuracy, attribute integrity and topological consistency across datasets.

Supported QC and verification of digitized datasets.

Coordinated with the technical team on database management and reporting.

Completed as a 6-month internship, per The Spatio's completion letter.

Jul 2024 – Sep 2024

Intern — Town Planning Wing, Zone-IV

Lahore Development Authority (LDA)

Lahore, Punjab

Prepared penalty notices against illegal land-use conversion activities in Lahore.

Digitized records of permanent commercial buildings along List-A roads on GIS.

Worked through the approval process for land-use conversion cases.

Learned E-Khidmat operations and the disposal of PM Portal complaints and BPR applications; prepared audit paras.

Six weeks, 15 Jul – 1 Sep 2024, per LDA's letter.

Jun 2024 – Jul 2024

Planning Intern

The Union Associates

District Master Plan project by NESPAK · Lahore, Punjab

Assisted in land-use surveying, spatial data analysis and SDZ delineation.

Conducted field surveys and vetted proposed land-use plans with local government authorities.

Took part in developing and reviewing site zoning plans and road networks.

Attended DPDC meetings and supported master-plan formulation for multiple districts.

Jun 2024 – Jul 2024

2D & 3D Designer (Intern)

Al-Akbari Houses Builders & Developers

Gulberg, Lahore

Produced precise 2D and 3D drawings, blueprints and schematics in AutoCAD for architectural and engineering use.

Built detailed 3D models and assemblies for mechanical components and architectural elements.

---

21 Jun – 31 Jul 2024, per completion letter.

Education

B.Sc. City & Regional Planning
University of Engineering & Technology (UET), Lahore
2023 – 2027 (expected)

Languages

English (fluent) · Urdu (native) · Punjabi (native)

Skills

Town Planning · Master Planning · Site & Zoning Plans · Land-Use Surveying · Cadastral Mapping & Digitization · GIS Data Management · Topological Consistency · QC & Data Verification · Land-Use Conversion · E-Khidmat · PM Portal · BPR Applications · Team Coordination

Software & tools

AutoCAD · ArcGIS / ArcMap · Google Earth Pro · SketchUp · Microsoft Office · Power BI · IBM SPSS · Adobe Photoshop

Achievements

> Best Effort Award — Winter School Research Questions Competition, TU Dortmund × UET Lahore (Nov 2024)

> Shield Award for Graphic Designing — Cultural & Sports Festival, Dept. of City & Regional Planning, UET Lahore

> Certificate of Appreciation — Institute of Planners Pakistan international seminar with the Lahore Chamber of Commerce & Industry (Sep 2026)

Portfolio

Master plans, urban design and GIS.

Studio and professional work. Group projects are credited inside each preview.

Master Planning

FA Avenue 1 — Integrated Urban Development Master Plan

Ferozepur Road, Lahore · 2026

Industrial Planning

Allama Iqbal Industrial Estate, Kasur

Kasur, Punjab · 2026

Urban Design

Mixed-Use TOD near Hanjarwal Station

Lahore · 2026

Housing Scheme

Fasan Villas — 300-Kanal Housing Scheme

Sharif Medical City Road, Lahore

GIS & Mapping

Land-Use Classification — Orange Line Metro Stations
